Make Over - Personal Stylist - Photo Session

'Queen for the Day'

Make someone special to you 'Queen for the Day' with our Mother's Day make over and photo session.

Mothers will appreciate being made to feel extra special this year with a wonderful make over and photography session. For only £120 you can treat your Mother so she feels like a Queen for the day. Here's what comes with this special package:

A personal stylist that helps them choose their outfit, so they'll look great in front of the camera

A make up session to match their colouring and outfit, so they'll be ready for their close ups

A professional photo shoot in the comfort of their own home, with a set of studio style images to follow.

A wonderful DVD slide show of the images taken on the day so they can enjoy the experience again and again.

Get the **Regal Package** and add a hardback printed photo book of your selected images for £70

Get the **Royal House** package for only £75 extra and include another special person in your make over and shoot

Get the **Majestic** package with photo book and four 10x8inch prints for only £225.00 - A SAVING OF £65!!!
